Other project participants

CV:s for all project participants are to be enclosed in Appendix 2

Name, surname, or possibly an unnamed project participant/function	Academic title	E-mail (work)	University/Institute of higher education or similar

Specified budget in SEK. See instructions on the IFAU website

Project costs Year 1

Name project leader/other project participants	Monthly salary	Number of months in the project	% of full time	Payroll taxes (in SEK)	Total costs
Total salary costs year 1					

Material and equipment (to be specified in Appendix 1)	
Travel (to be specified in Appendix 1)	
Premises	
Other costs (to be specified in Appendix 1)	
Indirect costs (OH)	
Total project costs including salary year 1	

Project costs Year 2

Name project leader/other project participants	Monthly salary	Number of months in the project	% of full time	Payroll taxes (in SEK)	Total costs
Total salary costs year 2					

Material and equipment (to be specified in Appendix 1)	
Travel (to be specified in Appendix 1)	
Premises	
Other costs (to be specified in Appendix 1)	
Indirect costs (OH)	
Total project costs including salary year 2	

Total amount applied for years 1 and 2, in SEK

	Total costs
Total salary costs including payroll taxes	
Material and equipment	
Travel	
Premises	
Other costs	
Indirect costs	
Total project costs years 1 and 2	

Other project funding

Funding has also been applied for from

Donor of the grant	Application date	Amount

Has been granted funding from

Donor of the grant	Date of grant approval	Amount

If the project is awarded funding after the application has been submitted, please inform IFAU about this by sending an e-mail to ifau@ifau.uu.se

The main applicant will also be the project leader of the following projects

Project title

Signature of main applicant

Place and date	Clarification of signature
Signature	

Appendix 1 Project description

This appendix should, for example, include objective, research question, policy relevance, design of the study, ethical considerations, and budget. For further instructions, see <https://www.ifau.se/en/Research/Research-grants/Application/>. NB! Pay particular attention to the limited number of characters to be used.

Appendix 2 Group of researchers and researchers' competency

The research competency of the project leader and the researchers in the research group and relevant qualifications. No limit as concerns characters. For more detailed instructions, see: <https://www.ifau.se/en/Research/Research-grants/Application/>
